

TERRI PACE

MAKEUP ARTIST

Award-winning Makeup Artist for brides and bridal parties who want a fresh, natural, timeless makeup that leaves you looking & feeling beautiful.

Hi I'm Terri thank you for downloading by brochure.

If it's your first time having someone do your makeup, it's natural to feel a bit nervous. But don't worry, I'm here to make the experience comfortable and easy for you.

With so many makeup products available, it can be overwhelming to find the right products that work for you. That's why I take the guesswork out of the equation by using my 18 years of experience to create your dream wedding makeup look, enhancing your natural features without changing who you are.

I understand that makeup is not one-size-fits-all and everyone is unique. During the trial session, I'll work with you to create a relaxed and friendly environment in the comfort of your own home. We'll experiment with various looks based on your preferences until we find the perfect one that you love.

I've kept my hair prices very low as I can only create waves or curls or straighten hair. If you're looking at more intricate hair styles it would be better to hire someone who specialises in that. I can put you in touch with an expert if that helps.

My speciality is creating natural wedding makeup that complements your style and level of comfort. My goal is to leave you feeling stress-free and confident, knowing that you'll look your very best on your wedding day.

SOME HAPPY CLIENTS

PAUL MERCHANT - GLOBAL HEAD OF MAKE-UP KRYOLAN

I'VE WORKED WITH TERRI FOR OVER 15 YRS. SHE'S A VALUED ASSET TO MY INTERNATIONAL PRO TEAM. WHEN I STARTED MY OWN CAREER IN THE MAKEUP INDUSTRY TERRI HELD MY FIRST TRAINING SESSIONS, I STILL VALUE THE TIPS AND TECHNIQUES I LEARNED. TERRI'S MAKEUP ARTISTRY IS A FINELY TUNED, NATURAL TALENT. I CAN'T RECOMMEND HER HIGHLY ENOUGH.

I INTERVIEWED TERRI FOR A FEATURE ON HER WORK AND WE HIT IT OFF INSTANTLY. THANKFULLY SHE WAS AVAILABLE FOR MY WEDDING BEING FEATURED IN OK MAGAZINE. WHAT TO EXPECT

Your Trial

After receiving your information, we'll schedule a phone call to get better acquainted and find a date for the trial. I'll try various looks based on your style and preferences.

I'll start by working on your primer and foundation colour match, then move on to eye makeup (you can try out lashes if you'd like), and finally, we'll explore lip shades.

I will try your preferred hair style look to the best I can do, if you want more intricate styles I can recommend a hair stylist.

(Note that if you decide to book me for your wedding, a new lipstick of your choice from the trial will be yours to keep)

Once we've achieved your look, I'll document all the products used and take photos of the final result. The session lasts about two hours for the bride and one hour for any member of the bridal party.

After the trial, I'll follow up to hear your thoughts and hopefully secure the booking for the Wedding Day.

Your Wedding Day

Your wedding day is going to be the best day of your life. It's time for you to sit back, relax, and be pampered after all the hard work you've put into planning it.

Prior to the day, I'll email you with all the details, including skin care prep and advice. I'll arrive with everything needed for your services, and we'll follow the agreed time schedule.

If you have a hair stylist, I'll coordinate with them in advance to save precious time. I'll also do a final check on your makeup to ensure your satisfaction.

I'll then leave you in peace to enjoy special moments with your loved ones.

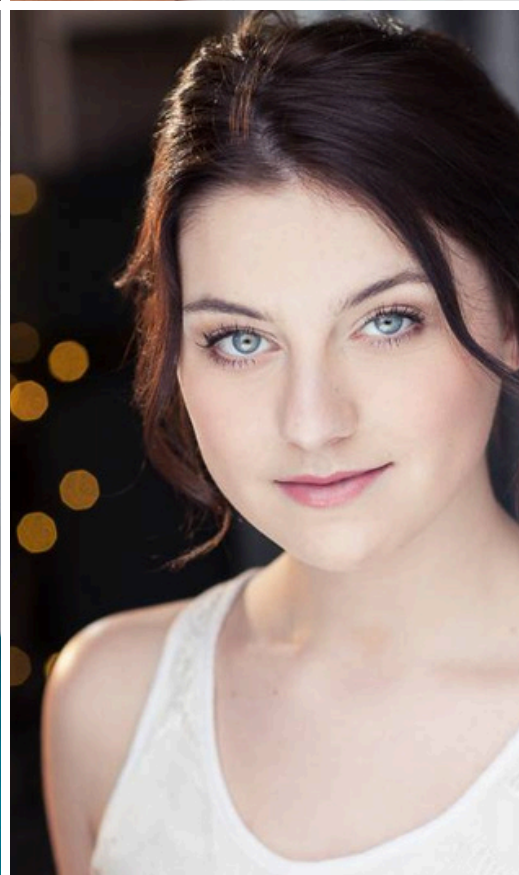

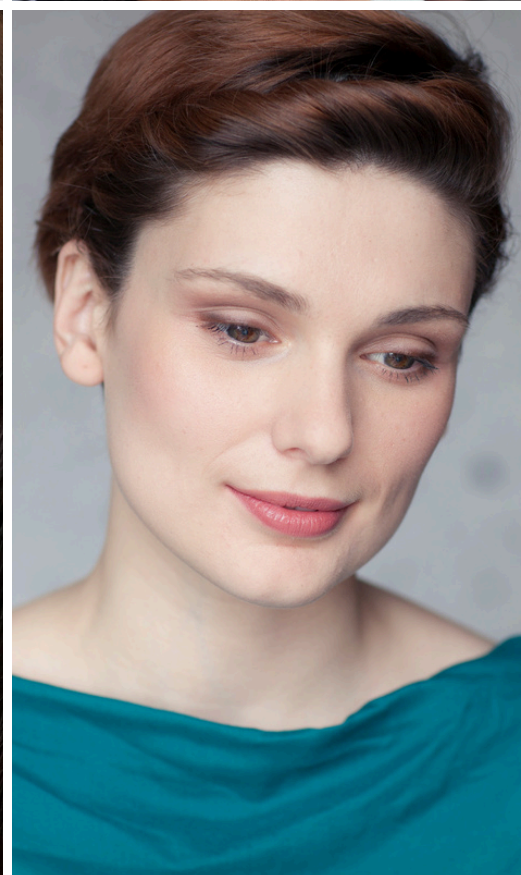

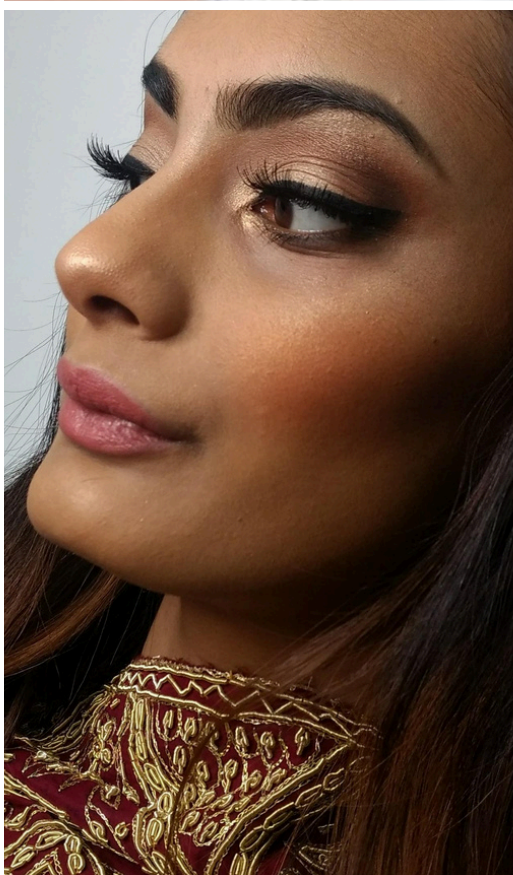

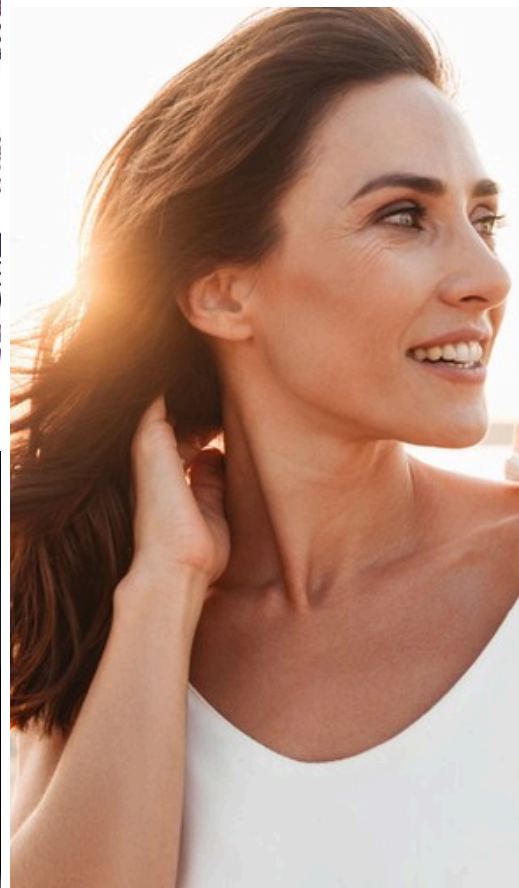

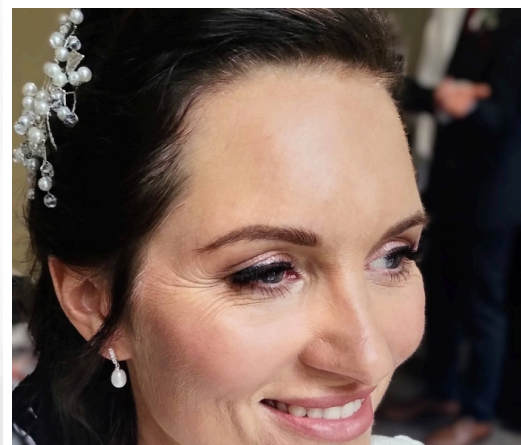

Invoices will be sent & payments are to be made by BACS
